Dedicated to the Memory of Mr. Curly Moore

A special man we knew
Loved all the kids
And loved the school.

He would sing a tune
Or carry a tray
For some boy or girl.
He'd make their day.

Often did he sweep our floors
Or fix a squeak in a door,
Mend a board or change a light,
Sometimes working into the night.

We all miss his delightful ways
A ray of sunshine, in our days.

He's gone now. No one can ever
take his place.
For a job well done, putting
smiles upon our face.

God be with you and understand
You were special to all of us, Curly.
Thoughtful and kind, quite a man.

Love You Always
The Kids of
Mechanicsburg School

Dedicated to the Memory of Mrs. Marilyn McIntire

To our school she
Gave us 14 years.
Smiles and hugs,
Advice to calm our fears.

She would help a young one
Find his way
And guide those older
Through rougher days.

Her charm, her style and
Support for the kids,
Those special little things
She often did.

You left us unknowingly.
You're in God's loving care.
Family, friends and husband
With good time you shared.

You shall never be forgotten
For all that you gave.
Your memory remains within
All of us each and every day.

Sadly missed by all of us
And always in our prayers.

Thanks for everything
You gave to us in those 14 years.

Love You Always
The Kids of
Mechanicsburg School

Alma Mater

Here's to our dear old hill top high school,
Here's to the purple and gold.
Rally around her and protect her,
Sing of her honor praise untold.

Here let us gather as we go,
Wisdom and truth which we should know.
Here wave her banner and let it blow.
Purple and gold on high.

Here's to our gold and purple banner,
Here's to the high school on the hill.
Glory and praise we'll always bring her,
Raise her banner wave it still.

Mechanicsburg Fight Song

Fight on MHS
And show the team that we're the best
And when this game is oe'r
We will have a great big score
Mechanicsburg fight on
Mechanicsburg fight on
FIGHT ON!

Forming new friends and missing former teachers... an A in French and a C in English... taking risks and trying new things—computer programming, making ceramics, playing basketball or playing the tuba... getting involved in fund raising, fun raising, or hair-raising events.

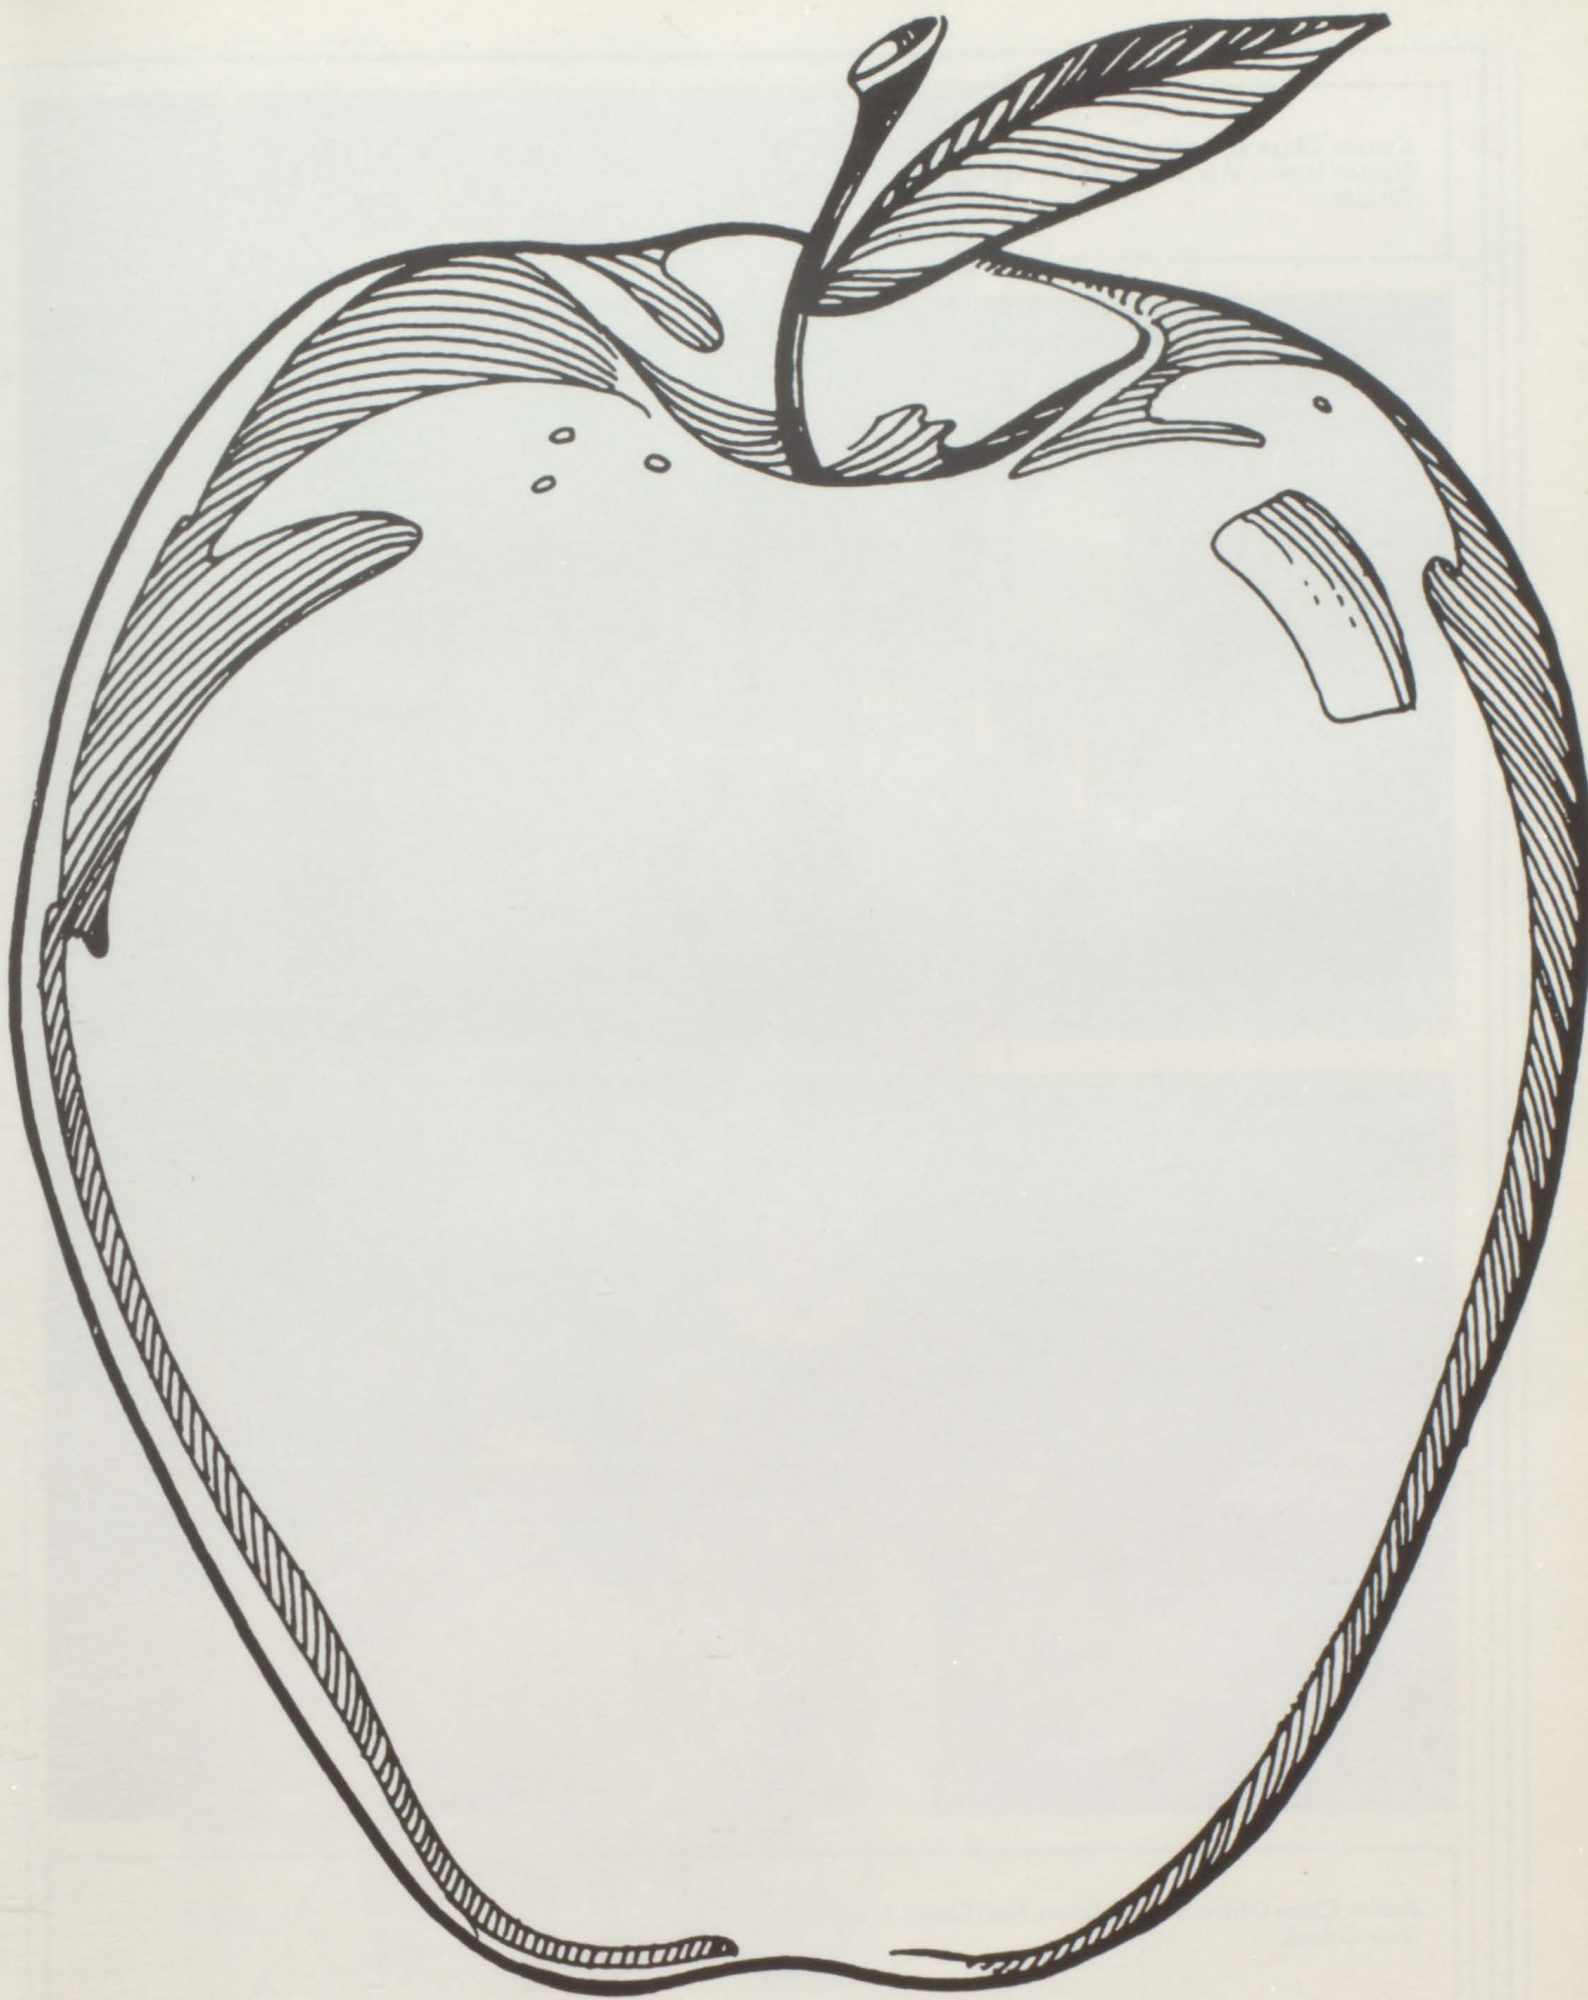

There is a time and a place for moments like these. The time is high school and the place is in your yearbook.

High school days won't last forever, but... your yearbook will.

The week of Homecoming was celebrated with Spirit Week. On Thursday October 10, a special evening was enjoyed. It started with a parade through town and then to the football field. The parade consisted of the class floats, the queen candidates and the attendants, the football team, and of course the high school marching band. The floats were pulled onto the field to be judged and the band marched onto the field to play a couple of songs and the queen candidates and attendants were introduced. After that the real excitement began, the lighting of the bon-fire.

Friday October 11, was the big night. The 1985 Queen, Polly Salyers escorted by Tony Swank returned to give the reign over to the new queen Kim Dingleline escorted by Mike Bostick. The queen candidates were Melissa Hixon escorted by Gains McDonald, Wendy Pemberton escorted by Mike Jones, Leslie Smith escorted by Larry Carroll, Amy Swan escorted by John Beedy, junior, Vicki Dingleline escorted by Matt White, sophomore, Marty Beth Hixon escorted by Mike Galloway, freshman, Angie Gingerich escorted by Devan Lippencott.

They enjoyed watching their team romp to a victory over the Gophers of Ridgemont 32-7. A perfect evening for all. "Congratulations Kim".

The run is done
 Yet the runner speeds on.
 All that was is no longer,
 Yet all that is is yet to be.
 The future has become the past.
 Yet tomorrow still beckons
 Hopes have become reality,
 Yet more and greater Hopes
 Rush to stand in their stead.
 And the senior year is gone.
 Yet the memories will live on
 And future dreams will see
 What future hopes will be.

Excitement reigns
 The last day has dawned
 Rejoice, rejoice, freedom finally
 No more teachers
 No more schedules
 And, most importantly, no more lessons.
 But this is not quite true.
 For one more lesson is taught.
 The only teacher is oneself.
 It is a difficult lesson,
 One that is learned over and over again
 Throughout our short existence.
 The lesson is this:
 There is no life without change
 And there is no change without sadness.

An open spiral-bound notebook is shown from a top-down perspective. The left page is blank and white, while the right page is dark and textured. A silver spiral binding runs down the left edge. A pencil lies horizontally across the bottom of the notebook, resting on the dark right page. The word "Underclassmen" is printed in a large, bold, black serif font in the center of the white page.

GRADUATION

The old brick walls hold more than just years of education.

They hold memories, of good times and bad times; our triumphs and sorrows.

I remember the elementary days. The playground looks so small now and the friends have all changed since then.

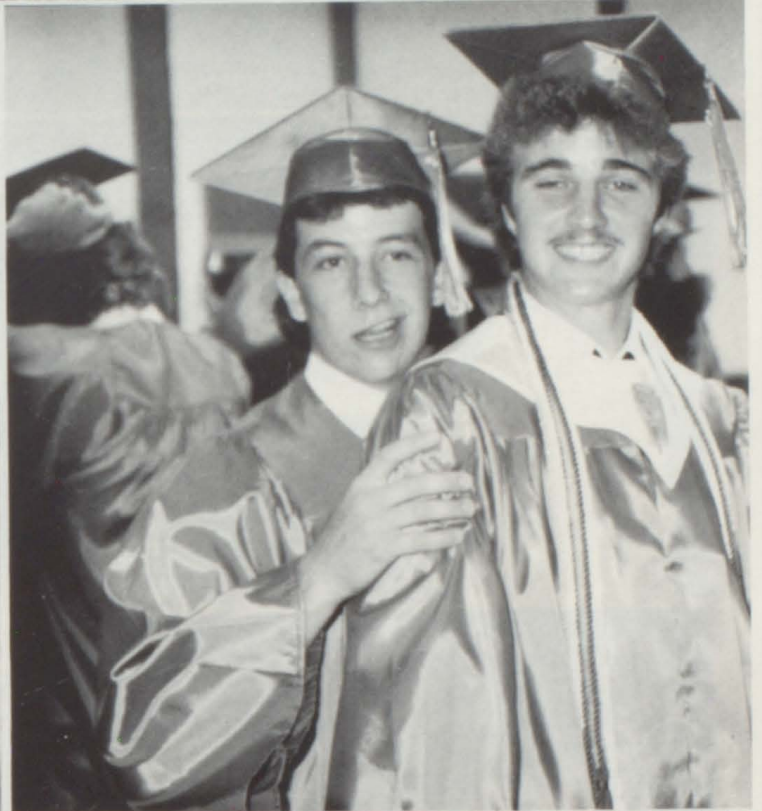

I remember the high school hardships and the friends I've made along the way, but soon we will part and go on our own.

Change is a small word, but a big difference. It can be scary at first, but after awhile it seems to sink in. The laughs and the tears made us through all the changes. We knew they were to be tough, but we saw a light at the end of that tunnel and worked our way through.

And look where it leaves us. As soon as we reach that light a new challenge comes along; a change. We leave all these memories behind, but we move on, in hopes of making more.
