A Word From Coach

Although the 2009 football season did not start out or finish the ideal way, the team accomplished a lot this year and finished with a respectable 6-4 record. After losing the first two games, the Indians regrouped and won the next six games. Heading into week nine the team still had a shot at the OHC title, but lost to a very good WLS program. A lot of players got their first taste of Friday night lights and the whole team was very exciting to watch. Have reached the regional finals two of the past three years and winning the OHC last year, expectations were high coming into the season. Both the coaches and players put in a lot of hard work and all deserve a ton of credit. The team was very fortunate to go to several camps this summer and showcase their talents and they also had the opportunity to work with the Army National Guard. The football team would like to thank the entire school, as well as, the community for their support. We couldn't have done it without you! Thank you!

Joseph Yates

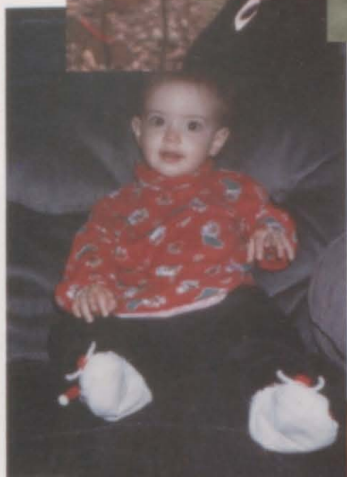

Joey,

It has been a joyous and wonderful journey to watch you grow from a cute and ornery little boy to a handsome, responsible young man. You have had vast experiences from football, baseball, and wrestling to 4-H, FFA, farming and pulling trucks. You have had so many accomplishments including earning your State FFA Degree. You have grown up so much and become an astonishing young man. Life has handed you some really difficult challenges and you have faced them with courage and a positive attitude which has helped you to persevere. You have become the strongest person we know. We hope that you draw on your experiences to assist you in realizing all of your hopes and dreams. We know that you will have many more achievements and successes in your life. Your friends and family will be supporting you through all of your future endeavors.

We dare you Joseph Yates to be the best that you can be!

Love,
Mom and Dad

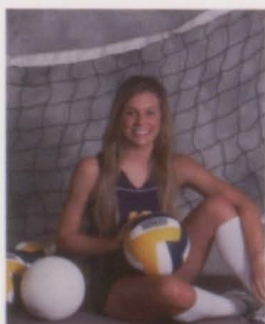

Cassi,
It was just yesterday, you were be-boppin around in a diaper, getting into everything. And in a blink of an eye you are a beautiful young woman. Your father and I are so very, very proud of you. You have made leaps and bounds in the past few years. We are amazed at all that you have accomplished on your own and we know it was heartbreaking for you not to play volleyball this year, but that was very grown up decision and it has benefited you. You are so ready to take on the challenge of college. We know you will accomplish great things. To us you will always be our little Cassi Moonbeam Wibright.

We love you,
Mom and Dad

Cassi Wibright

You strive on life's challenges and realize that the choices you make are the pavement to your future pathway. Confidently begin the journey of your life with your dreams. They will take you to the corners of your sparkling smile and to the highest of your future hopes and goals, to the windows of opportunities, and to most special places your heart has ever known.

Congratulations on completing your high school years. You never cease to amaze us with your strong will of determination and power in knowledge. We are very proud to be your parents. Good Job!

Wow! Where has the time gone? It seems only yesterday we brought you home from the hospital. It has been a pleasure for us watching you grow. We are very proud of the young man you are becoming. We appreciate the passion that you exhibit in everything that you do and also in which you believe. You have had many accomplishments academically and athletically that we have enjoyed celebrating with you.

We pray that your faith carries you and encourages you throughout your life to stand up for the values you have been taught. There have been ups and downs and unfortunately that is life but know that we will always be here for you in the good times and the bad and will love you unconditionally. Thank you for the many blessings you have given us through these years. Go now and spread your wings, discover what life has for you but always remember, "I can do all things through Christ which strengthen me." Phillippians 4:13

Congratulations Thundercat, you made it! Through the growing pains of childhood and obstacles you've overcome, you've truly grown to be a wonderful young man that any parent would be proud to call their son! Your childhood has encompassed many amazing experiences from the Atlantic to the Pacific. You've traveled in and out of the country by plane, train, and automobile and even ferried across the Irish Sea to Dublin! A great deal of history you've learned not only by textbook, but by the countless museums and historical sites visited throughout the years. Academically, you never cease to amaze. Numerous achievements such as the Presidential Award, is just one of many accomplishments you've reached with hard work and integrity. Along with earning the respect from others, you're smart, talented, popular, and funny. We are so proud of you! We all wish you the very best in Med School at OSU and know with a certain confidence that you will become a great and successful cardiovascular surgeon!

May the good Lord be with you down every road you roam.
And may sunshine and happiness surround you when you're far from home.
And may you grow to be proud, dignified and true.
And do unto others as you'd have done to you.
Be courageous and be brave
And in my heart you'll always stay... forever young

May good fortune be with you may your guiding light be strong.
Build a stairway to heaven with a prince or a vagabond.
And may you never love in vain
and in my heart you will remain... forever young

And when you finally fly away I'll be hoping that I served you well.
For all the wisdom of a lifetime no one can ever tell.
But whatever road you choose
I'm right behind you, win or lose... forever young.

We are so very proud of you! It's a little hard to believe this day is already here. Looking through all of the photos, it really does just seem like yesterday that we were celebrating your birth! Now, we celebrate your high school graduation and all that you have accomplished in your brief 18 years and it's quite the list of achievements: academic, athletic & otherwise! There is no doubt that you have an extremely bright future ahead of you!

Jordan,

You can do anything you put your mind to! You have commendable life goals and we believe in you and support you 100% in realizing your dreams!

Go For It! Continue to work hard and give your absolute best effort in everything you do! But more importantly Sweetheart, seek the Lord in all things!

"Commit to the Lord whatever you do, and your plans will succeed." (Prov. 16:3)

Encourage everyone you meet with the love, compassion and forgiveness of Jesus!

In doing so you will NEVER fail!!!

We Love You, Jordan!!!

Dad, Cheryl, Allan, Amber & Jake

My little boy is now a man and I wanted to let you know that sometimes you will make mistakes and when those times occur the proudest mom in the world will always be here for you. There have been moments when all I wanted to do was hold you in my arms and tell you everything would be alright but as a mom sometimes my job was more than just giving you the answer or doing things for you, I had to let you find out things for yourself. It wasn't always easy but I believed in you. If I allowed you to think that any problem you ever had would go a way just by wishful thinking, I wouldn't have been fulfilling my role as a mom. You had to learn and grow through your own trials. I encouraged you to be yourself and I tried to teach you courage and positive thinking. I wasn't a perfect mom but I tried and through it all you turned out just fine. I'm so proud of you son. There is nothing holding you back so spread your wings and fly. Make all Your dreams come true. You make me so proud that you are my son.

I LOVE YOU!

Ashley,
We are so proud of the beautiful young lady that you have become and can't believe it's already time for graduation.

You are strong and very determined, gentle and kind hearted. You have inspired so many by doing special things for others, that some have even said they want to be just like you.

You work hard for the things that are important to you and we know that you will take every opportunity you get to follow your dreams to succeed in life.

Your smile lights up the room and has touched the hearts of all who know you. You are a very special friend and daughter.

You've gathered happy memories, made friendships that will last. The future lies before you now and may it always hold many new and happy dreams brighter than the old.

Love Mom and Dad

Kyle Bossetti

Our words can not express how proud we are of you. You have grown into a wonderful young man. Since a young age you have shown independence, dedication, commitment to work hard and the true meaning of leadership. We wish you the best of luck at college and for all your future goals. Aaron,
We have watched you grow from a wee baby into a young man, how swiftly the years have passed. You have met your challenges, not always sure but never faltering from the goals that you have set. You are about to embark on another step in your life's journey. You will once again set your goals and set your mind to achieving them, that is the person you are and we have no doubts you will succeed. Now we would like to say, it is with pride and pleasure that we have the privilege of calling you

"OUR GRANDSON,
THE GRADUATE."
CONGRATULATIONS,
WE THINK YOU ARE AMAZING!

We love you,
Grandad and Mammaw

Aaron Brown

We are so proud of your accomplishments. I think back to when you were born, so tiny, so precious. I has been great watching as you have grown. There have been ups and downs, happy and sad but all the while you are making progress. As i reflect back, I remember when you would go to Snyder Park with papaw and granny to fed the ducks
A you got older, we wanted you on our Bible quiz team because you were so quick with the answerers. watching you play basketball from your days at Springfield Christian on up to your time as a Mechanicsburg Indian. You have always put your heart into it.

When Maggie came along and you have always been her "Aarnon", you would not let us correct her and she was the only one allowed to call you that. Aaron, in all that you do, remember to put God first. College is just the next step in so many important decisions you will make in life. Not all decisions will be easy, but if you let God lead you, it will make life better. Always know we are here for you. May all your steps be blessed and may you succeed at all you endeavor to do.

We Love You,
Uncle Eddie, Aunt Pam & Maggie

You sure have grown into a fine young man and I'm proud of all your accomplishments. As you start you new adventure in college, remember to always do your best. No one will ever be able to scratch your arm, back and head the way I do.

"Commit to the Lord all that you do, and your plans will succeed." Proverbs 16:3

Love You,
Aunt Jan

Yearbook 2010

We hope you enjoyed the 2010 Yearbook. The staff chose the theme of "Remember the Name." The thinking of the staff was that we have a very rich tradition here at the Burg and very vivid memories of our past. On our end pages you will find postcards of our past buildings. As you look back on your 2009-2010 school year we hope you have fond memories of the year's events.

We would like to take a moment to thank our editor, Kara Westfall and our in-class editors, Ethan Culp & Jennifer Goheen for all of their hard work and dedication. Also, Amy Deao deserves much credit for her fabulous work on senior ads.
