More Than Words

Words. The essential element to communication. Often throughout our high school careers we are defined by others through words. Many times titles are sought after, and sometimes they are thrust upon us. We are defined by our interests, our abilities, our actions and our company. We use words to express our happiness, sadness, anger and independence. As we continue on in life, words will continue to play a part. We will chart our own courses and strive for success. As you browse through your yearbook, we hope that our words help you reflect upon memories that have helped to shape us all this year and we hope you remember always we are more than words.

The girls bowling team did a fantastic job this year. They played a tough schedule and ended the season with a very impressive winning record. Senior Bethany Mayberry qualified for the Regional tournament. Her leadership and enthusiasm will be missed by the girls next year. We look forward to yet another great season next year, as five bowlers return.

*To our Mel, no more a child,
On whom these eighteen years our love has shone:
Take pleasure in the pleasure of our pride,
However much you've managed on your own.
Even as you dance upon your stage,
Growing ever more endowed with grace,
Remember that our love will never change,
A place for you beyond all time and place.
Do what you will within your own wide world,*

*We will be here to help you on your way.
We Love you and are so very proud
Love Always,
Mom, Steve, Kyle and Rio*

Jordan Dayne Hartzler

Jord-

It's so hard to believe the time has come for you to graduate. Where has the time gone?! There are not enough words to express how much you mean to us. You have grown to be such a beautiful person-inside and out, a wonderful sister to Jansen, and such a blessing to our whole family. We are so proud of you Jordan. Always know that you are loved so very, very much and that we are here for you always, Jord. Always be happy!

"I hope you dance"

Love you soooo much, Mom & Dad

Jordan,

Ever since I could walk I loved being around you. You are beautiful, smart, and good at sports. When I grow up I want to be just like you. When you leave this fall, it's going to be the saddest moment in my life. I hope you have fun in college. I Love You Sooo Much!!

Love you, Janny

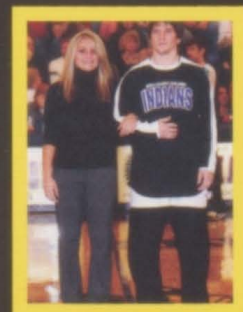

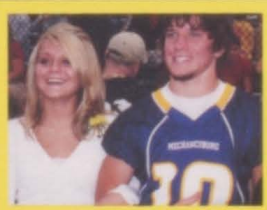

Betsy Dunlap & Adam Love

Betsy and Adam

From the early years we knew you two had a special bond,
From preschool to picnics at Grandmother's pond.
The nights in the barn feeding your steer,
You two were always there, never showing any fear.
As time does, the years quickly flew,
You two are now preparing for something new.
Much more than cousins you two are,
Please remember never stop reaching for your star.
We're glad you had each other through all the days.
As we wouldn't have wanted it any other way!

Congrats and Best of Luck!!

With Love, Your Family

I hope your dreams take you....to the corners of your smiles, to the highest of your hopes, to the windows of your opportunities and to the most special places your heart has ever known"

Tyler Anderson

Tyler

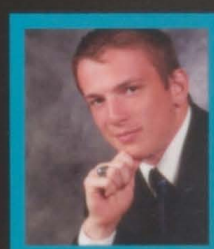

It's hard to believe that you're all grown up, the years have flown by. In a flash of an eye you've went from being my handsome baby boy to my handsome son.

As you were growing up we kept busy with lots of great memories and some not so great (chicken pox and broken leg in your kindergarten year).

Now in your next phase of life I know you'll do fine with all the love and support from family and friends even (Grandma Spaulding) from above.

I hope you know how proud we are of you and will continue to love and support you no matter what you do in life.

Love Always, Mom, Dad & Caleb

Brook Baltes

Brook,

We have watched you grow and mature into a Beautiful - Smart - Talented - Lovely Young Woman. We are very proud of you and know that you will succeed in your future.

Through the laughter and tears, it's been a wonderful thirteen years. You have made us very proud. You have grown up so quickly and have matured into a wonderful young man. We will miss you on the field and on the court. Congratulations on a record breaking year in football. All the hours of practice, competitions and broken garage windows finally paid off.

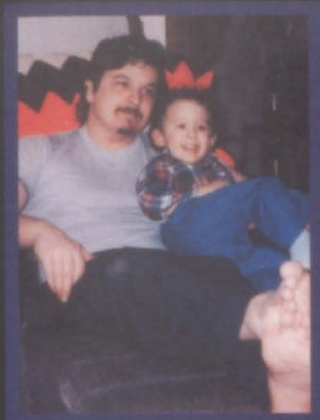

Thanks for the memories. Good luck at college and in all you do.

Success & Happiness, We love you!

We are so proud of the young man you have become. Eighteen years have passed so quickly. We remember the sound of your voice when you were little. We see your hard work for the things that are important to you from bowling, golf, to guitar, you have tried very hard and succeeded. As you continue on your journey, know we love you. Follow your heart and do the right thing.

We are always here for you.

Lacie McIntire

Lacie, what a wonderful young woman you have become. Your beautiful smile has warmed the hearts of all who have had the pleasure of knowing you. Your generous and kind spirit has been evident in your years of showing your prized horses. Trophies line our shelves, but the proudest moments were when you would come down from the saddle to help your competitor. Congratulations on reaching this milestone in your life. Love your family!

Bethany Noel Mayberry

It was only for a moment you were ours to hold
The plans that heaven has for you will all too soon unfold
So many different prayers we'll pray for all that you might do
But most of all we want to know that you're walking in the Truth
And if we've never told you, we now want you to know, that as
we watch you grow

We pray that God will fill your heart with dreams
And that faith gives you the courage to dare to do great things
We are here for you whatever this life brings
So let our love give you roots and help you find your wings
May passion be the wind that leads you through your days
And may conviction keep you strong and guide you on your way
May there be many moments that make your life so sweet
And remember...its not living if you don't reach for the sky
We'll have tears as you take off, but we'll cheer as you fly

We are so proud of the young woman you have become,
you have made our lives so very rich and we are blessed that
you are our daughter!
We love you always, Mom and Dad

Jessica McDonald

Jess

I hope that the days come easy & the moments pass slow, and each road leads you where you want to go. And if you're faced with a choice & you have to choose, I hope you choose the one that means the most to you. And if one door opens to another door closed, I hope you keep on walking

'til you find a window. When it's cold outside, show the world the warmth of your smile. But more than any thing, more than anything, my wish, for you is that life becomes all that you want it to. Your dreams stay big, your worries stay small, you never have to carry more than you can hold. And while you're out there getting where you're getting to, I hope you know somebody loves you & wants the same things too. Yeah this is my wish. I hope you never look back but you never forget all the ones who love you in the place you left. I hope you always forgive & you never regret and you help somebody every chance you get. You find God/s grace in every mistake and you always give more than you take.

We are so proud of the person you have become. Remember always that we love you and will always be here for you. Good Luck at Bluffton.

Love Always, Mom, Jake, Grandma Arnett & Uncle Jeff

Jeremy Nangle

Jeremy,
I have watched you grow from a shy-backward little boy to a very mature and responsible young man. We are so very proud of you.

Go after all your dreams and we will be there when you become a successful police officer. Don't ever compromise your values and integrity. We love you and are so very proud to call you son.

2007-2008 Yearbook Staff

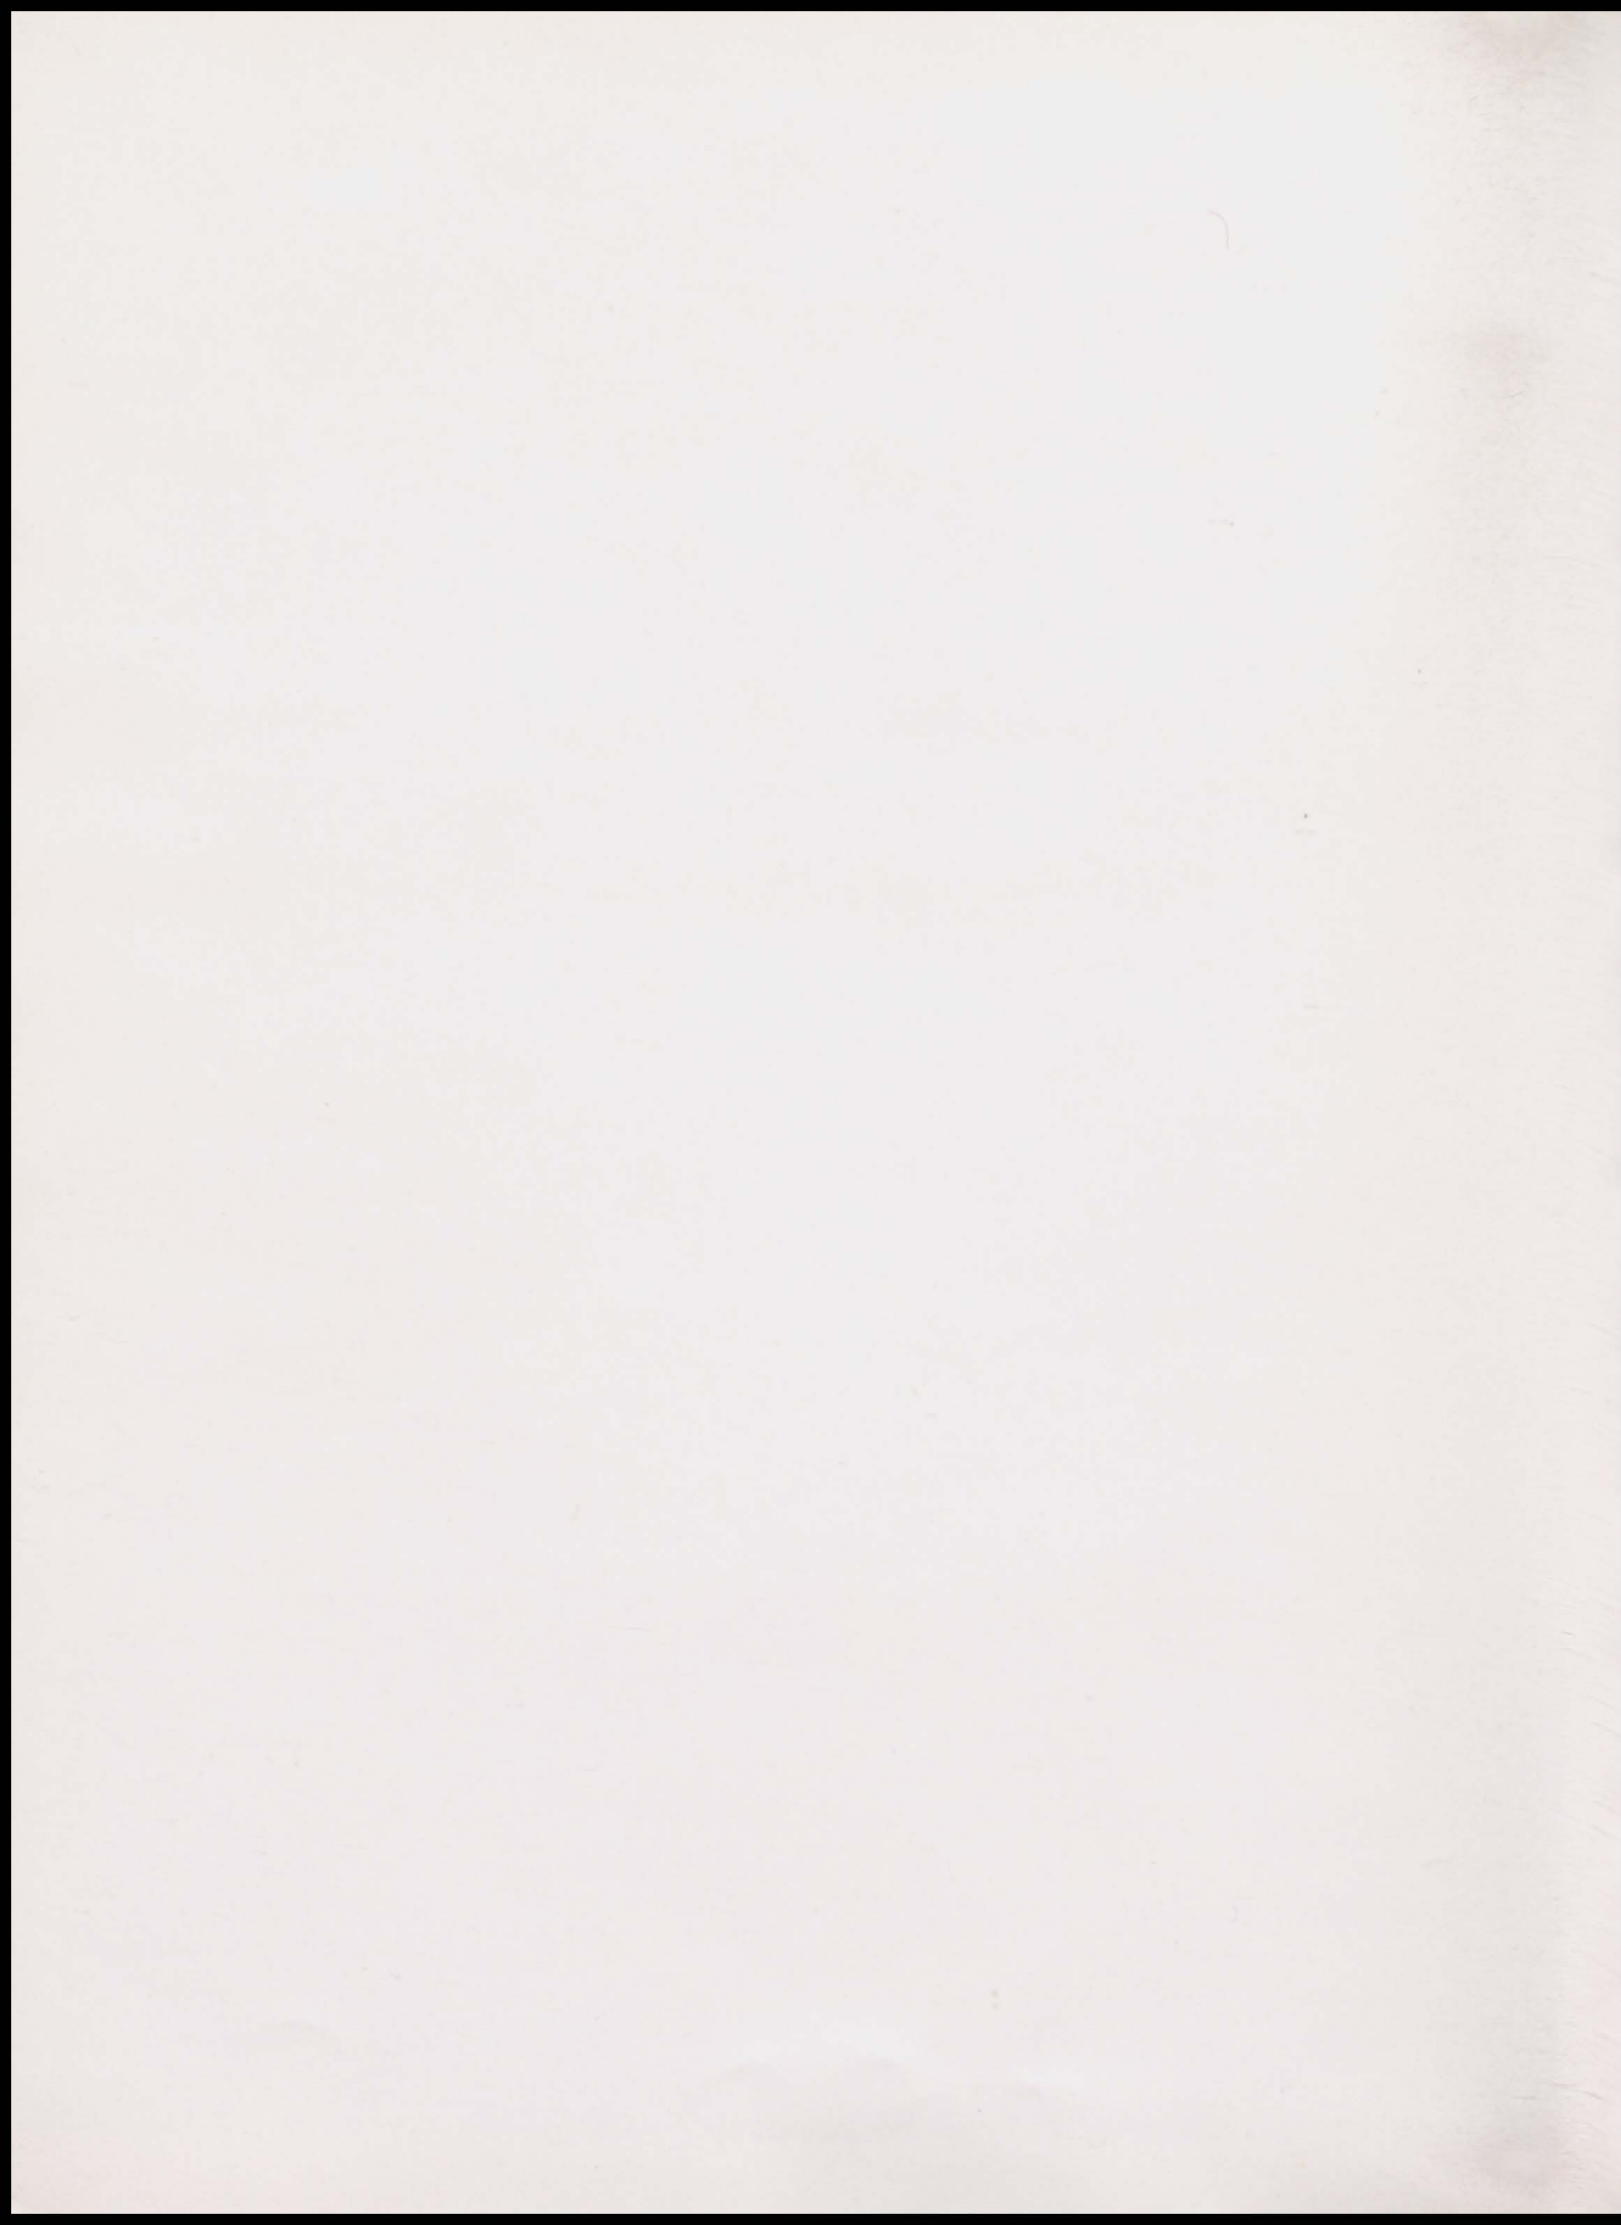

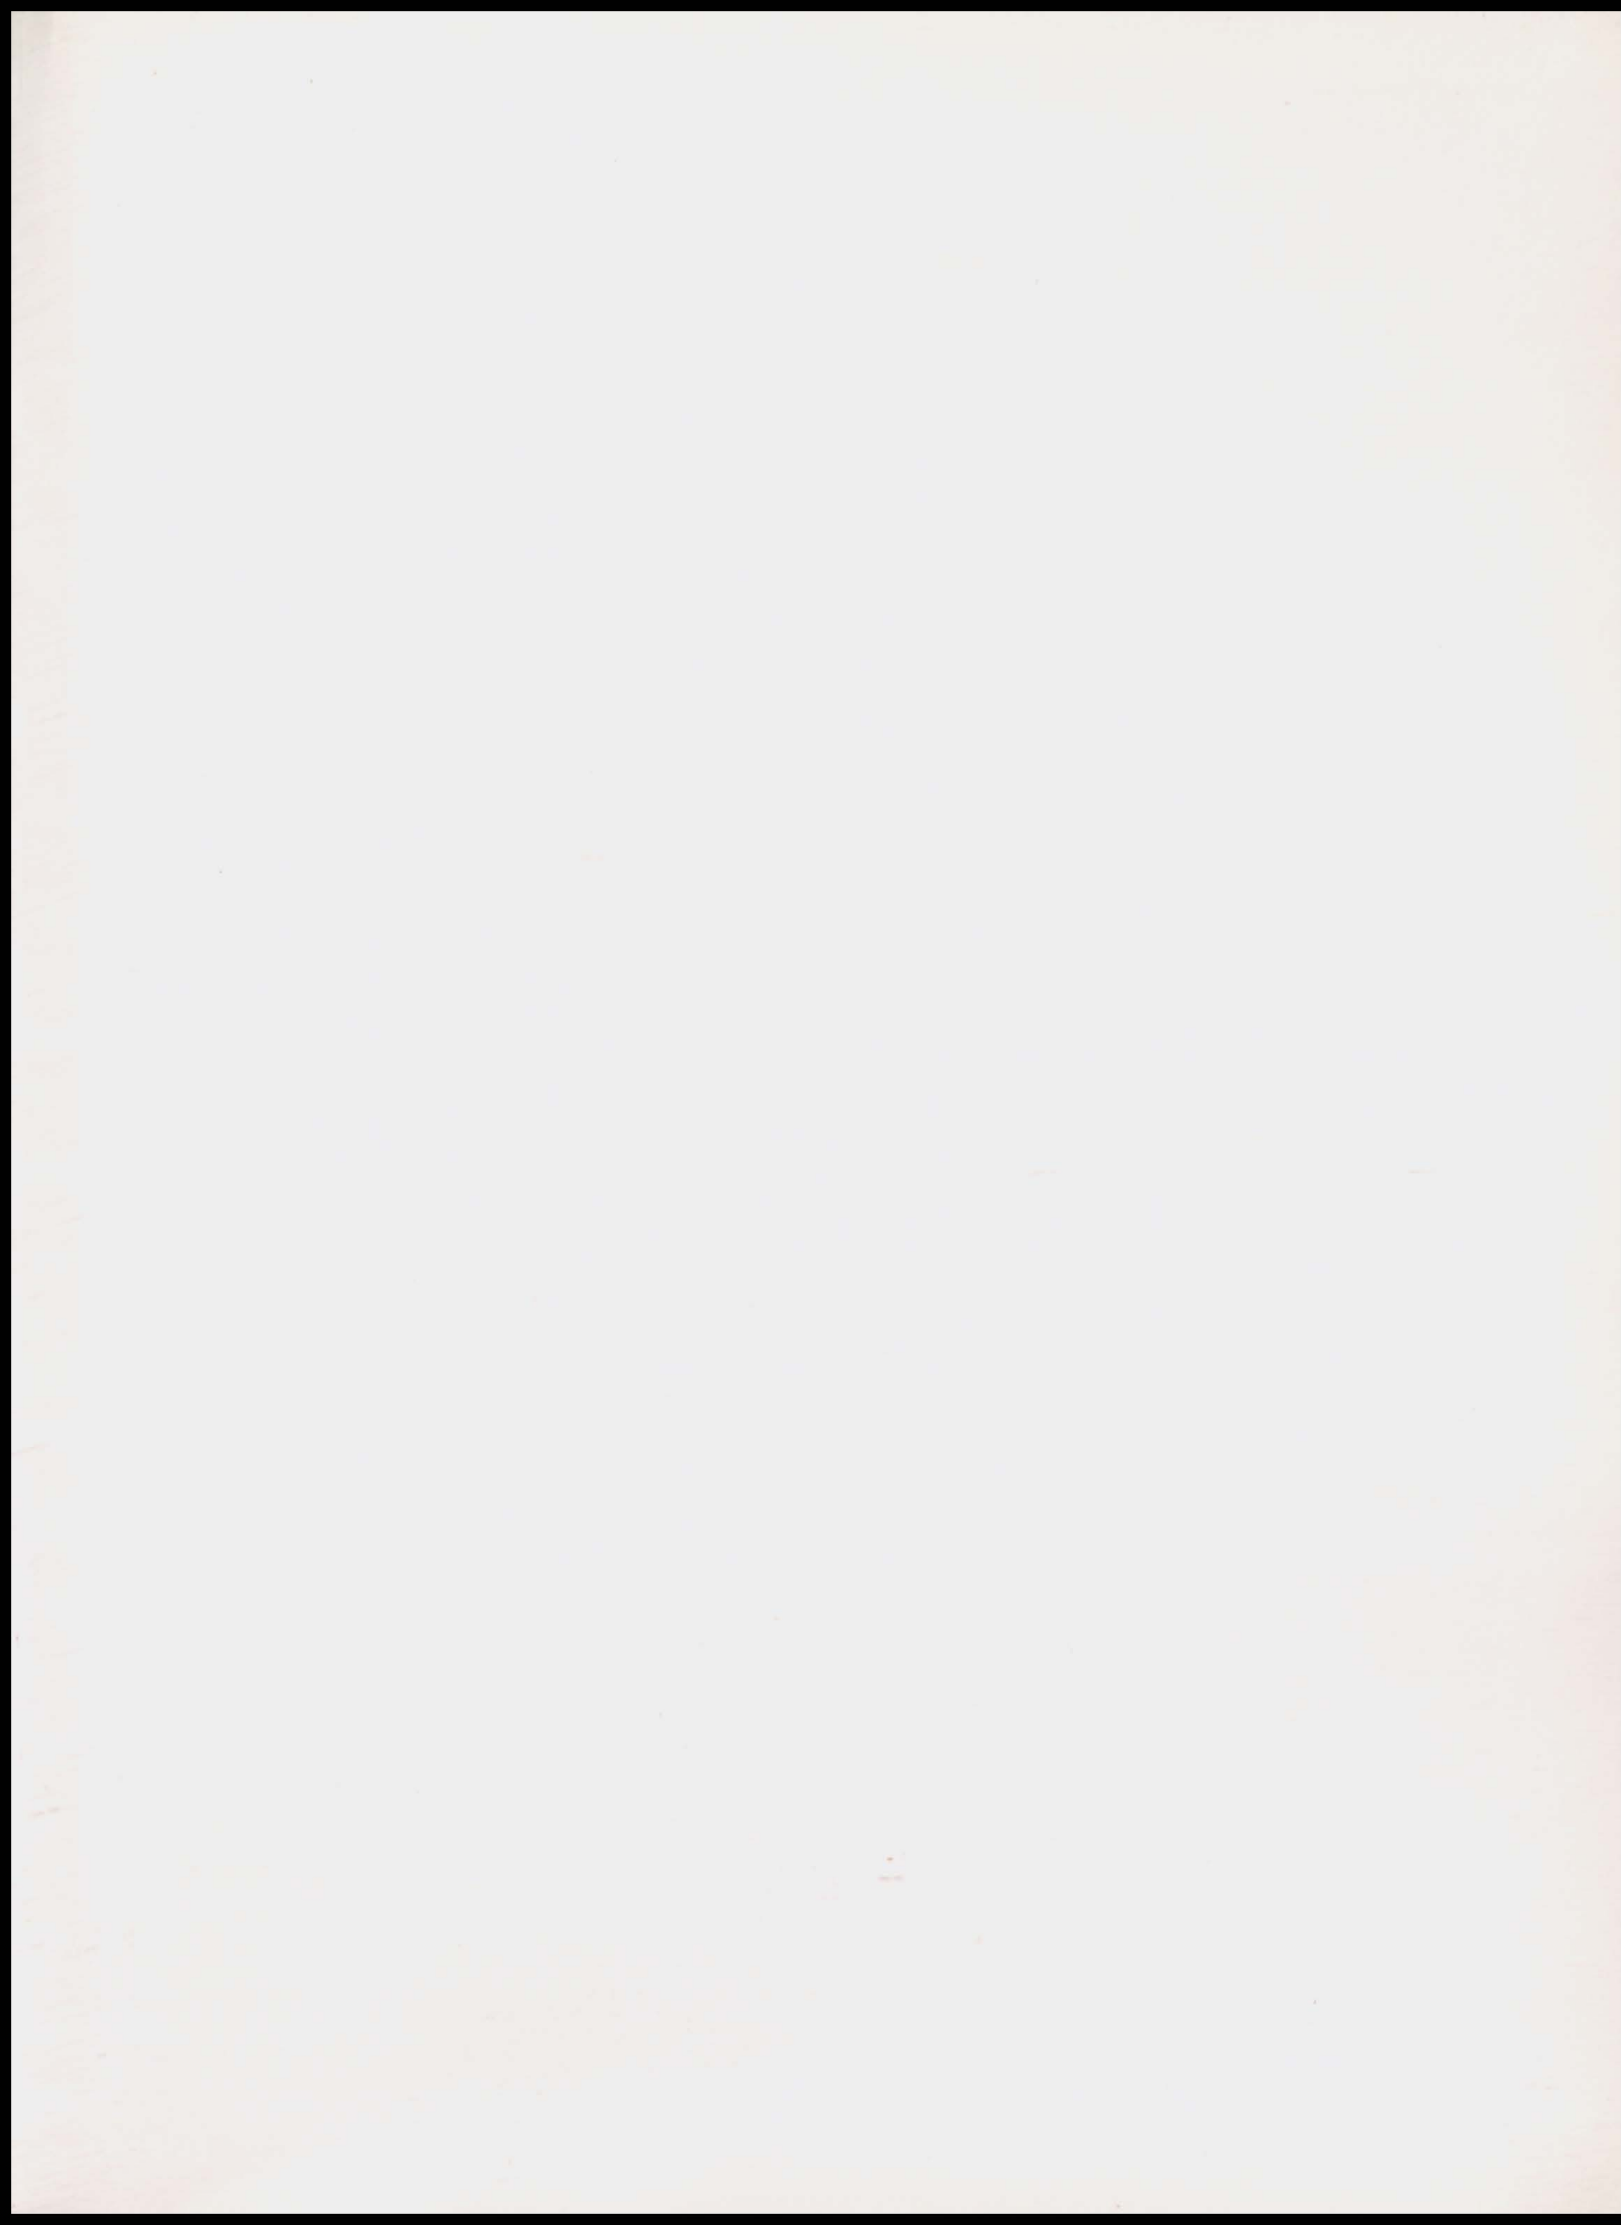

Above, Mrs. Poland &
 Mrs. Trainer,
 Our Yearbook Advisors

Many Thanks

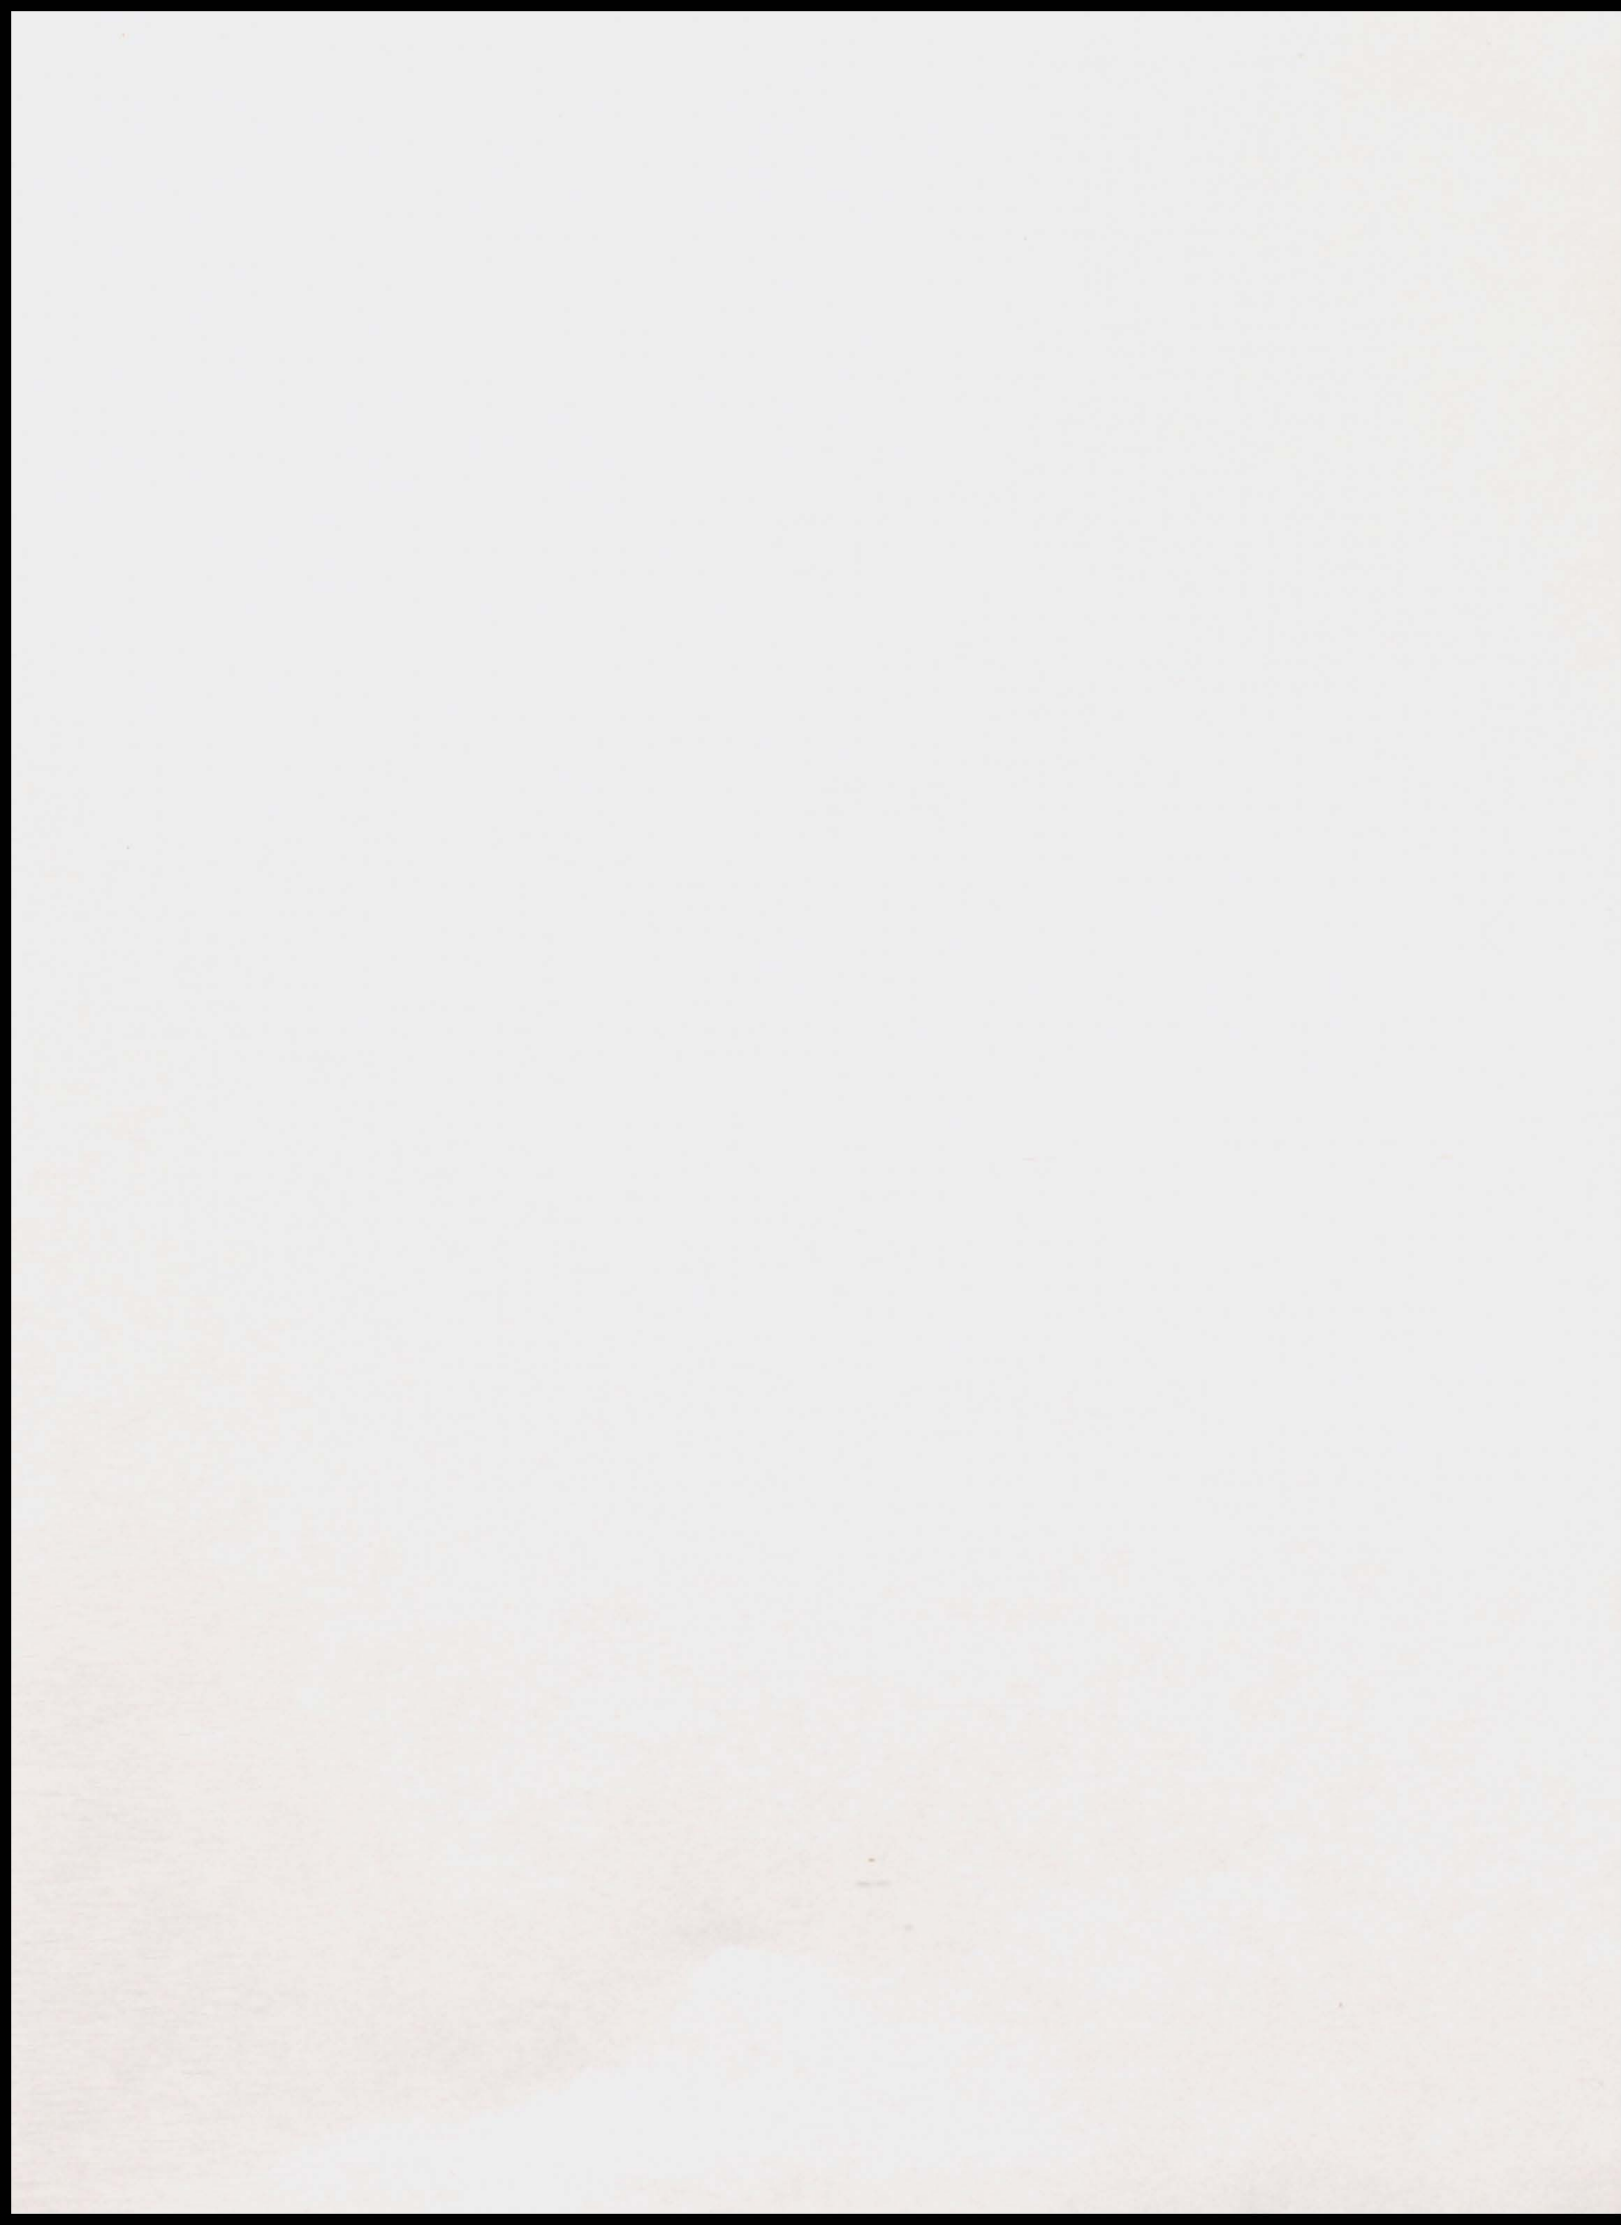

We, the 2008 Yearbook staff would like to take this opportunity to thank Mrs. Judi Trainer for all of her dedication and support to our staff, but more importantly to our school. Mrs. Trainer retired at the end of the first semester with 30 years in education. She has been a devoted teacher and avid supporter of MHS. She has given us many years of experience and expertise and we will truly miss her more than words can say.

Stay in touch with your fellow classmates by logging on to the school website at www.mechanicsburg.k12.oh.us. You can list alumni information there and keep in touch with all your high school friends.
