This annual was made with a little help from my friends Kevin, Rod, Joyce, Marilyn, Pam, Karen, Steve, Vicky, Cheryle, Sally, Mr. John Bunsold, Mr. Jerry Wasserman, Mr. Charles Miller, and Mrs. Louise Bauer.

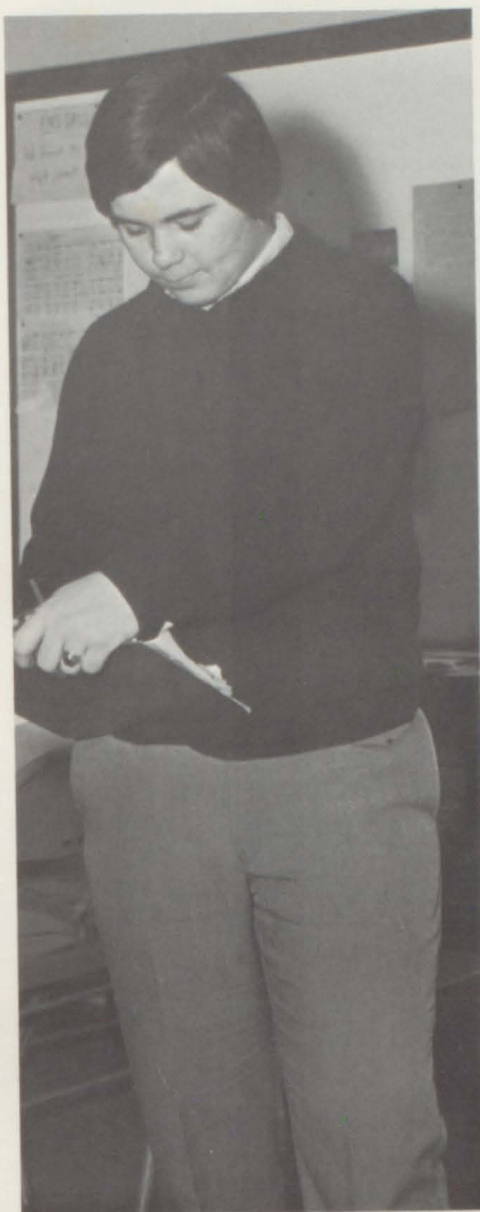

School days and school years begin and end at the hall lockers. Special friends meet for a few words each morning and again throughout the school day. Lockers are a storage place for schoolbooks, coats and gym clothes, but most important, a place to meet that special person.

For the first time in the history of Mechanicsburg High School football, "The Purple Machine" was rated No. 1 in Class A competition in the State of Ohio.

The No 1 rating occurred during the first week of November and the student body celebrated by staging an impromptu parade, complete with band, fire engines, police cars and trucks, through the village.

The team ended the successful season with a 9-0 record and a season ranking of No. 2 in the state.

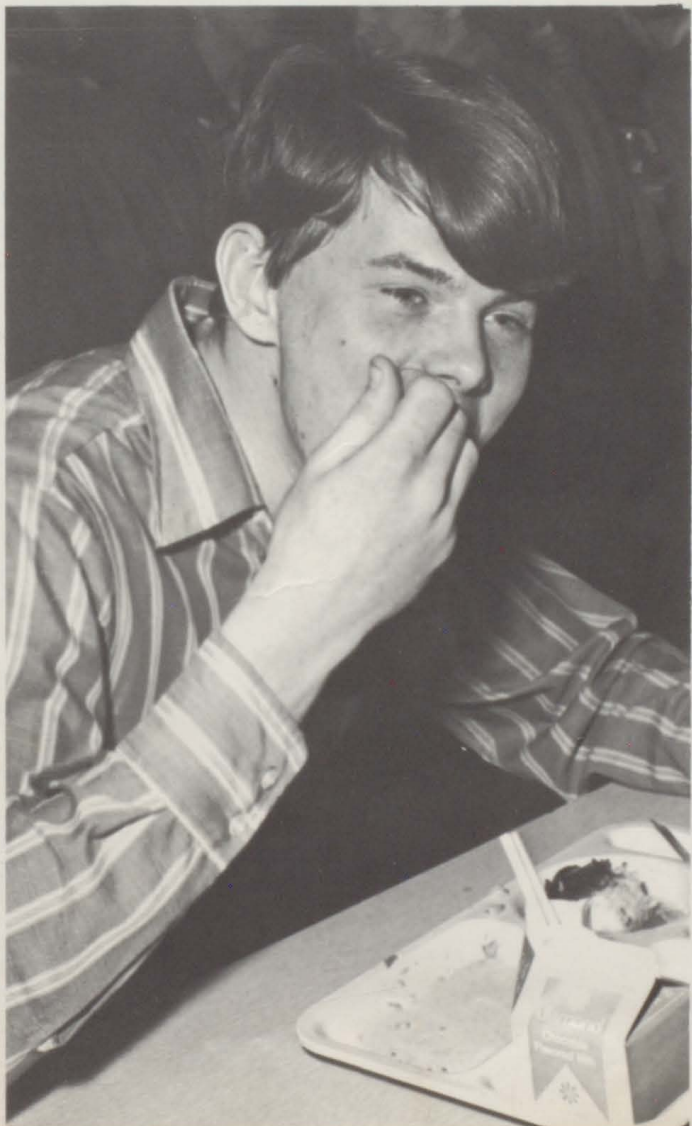

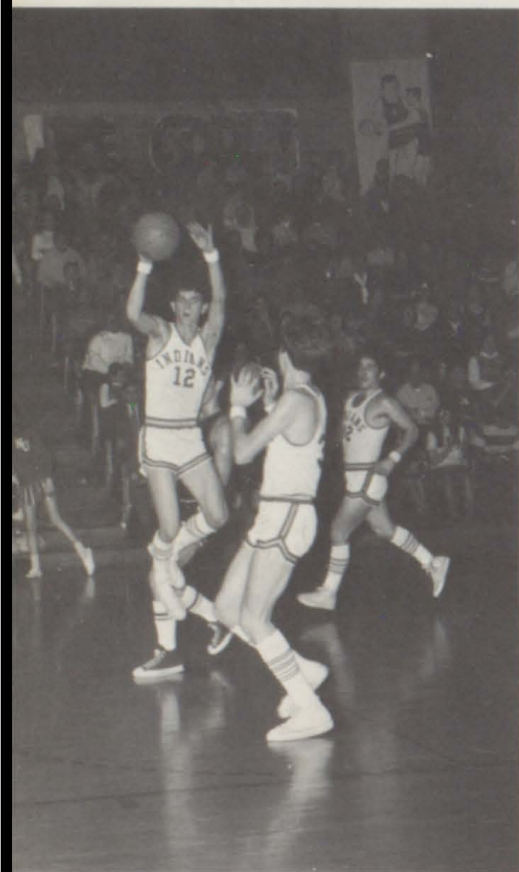

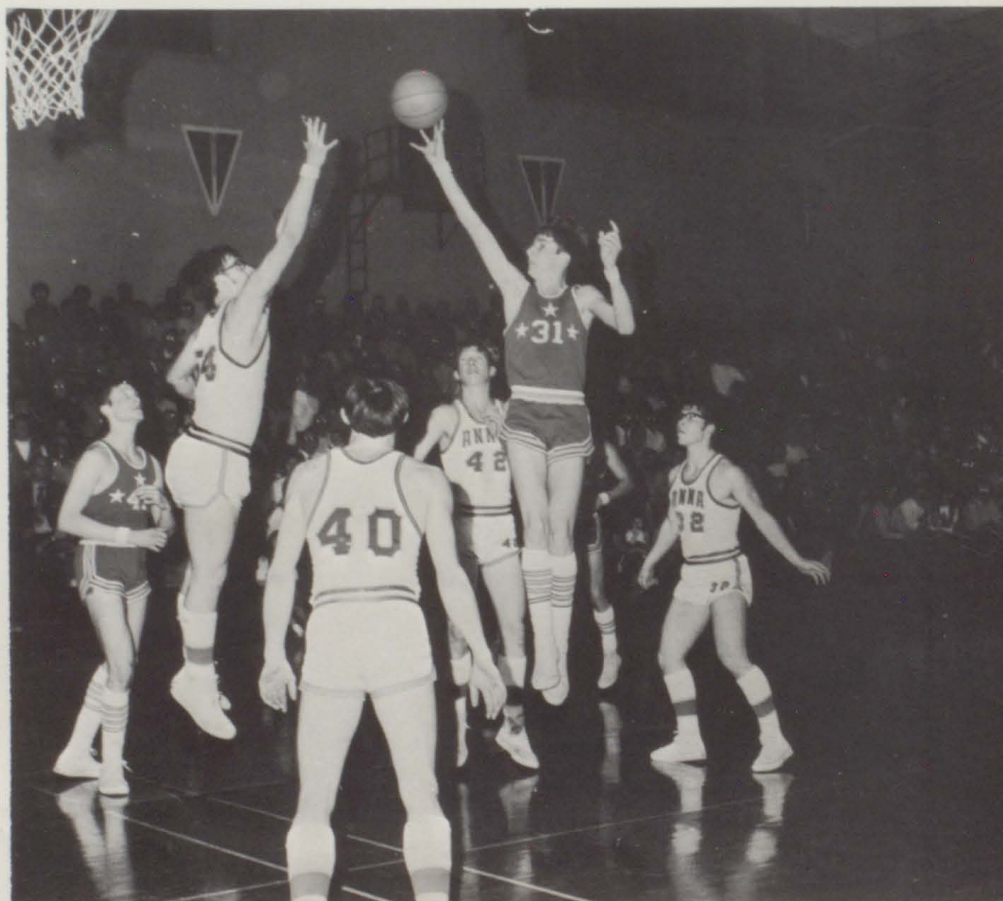

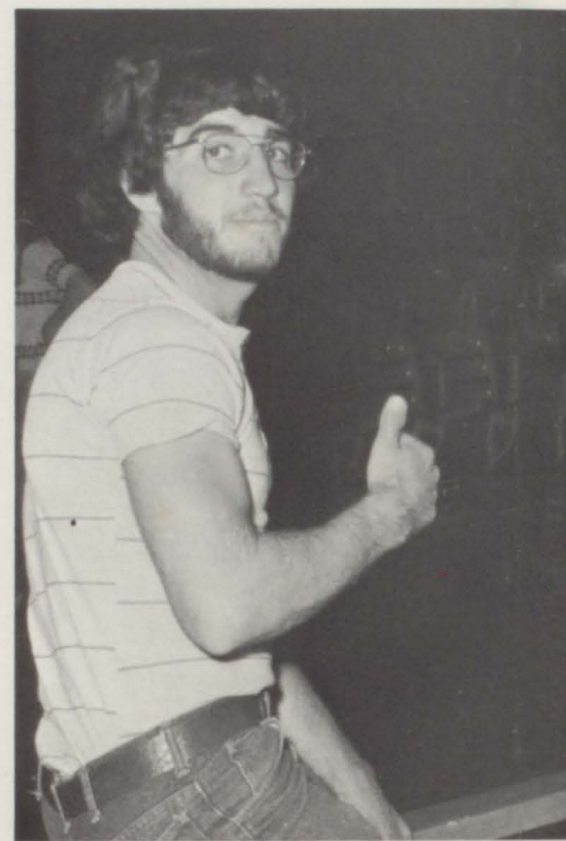

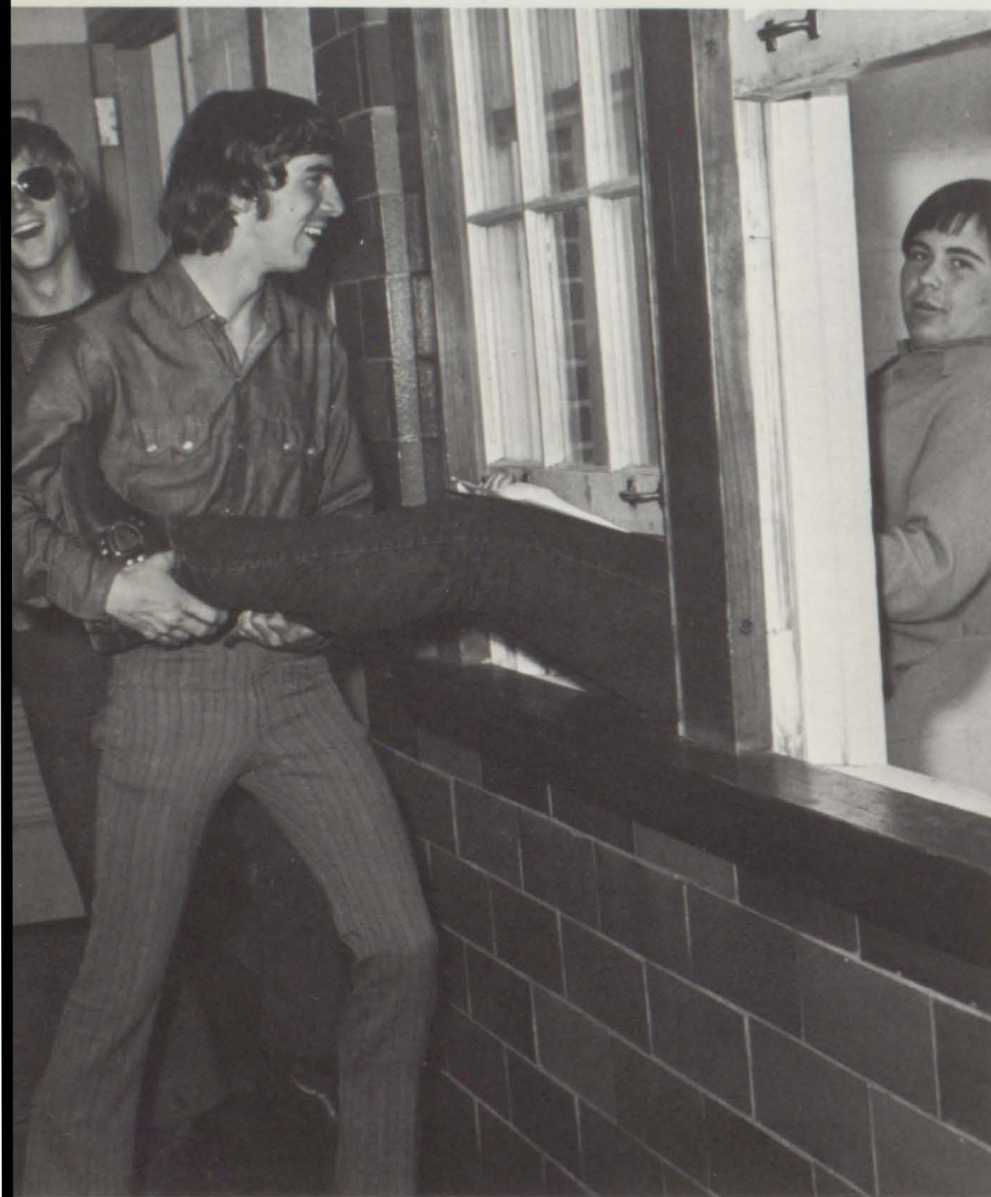

Change of season. . . change of sport. . . scrambling for loose balls, scoring impossible baskets, our 1971 Indian basketball team deserves the "congratulations" of all the fans. The "Cardiac Kids" put Mechanicsburg on the map by winning the Sectional Trophy at the Southwestern District. They compiled a record of 18-3, with 13 consecutive wins, and lost to Anna in the semi-final game of the District in a hard-fought, double-overtime contest.

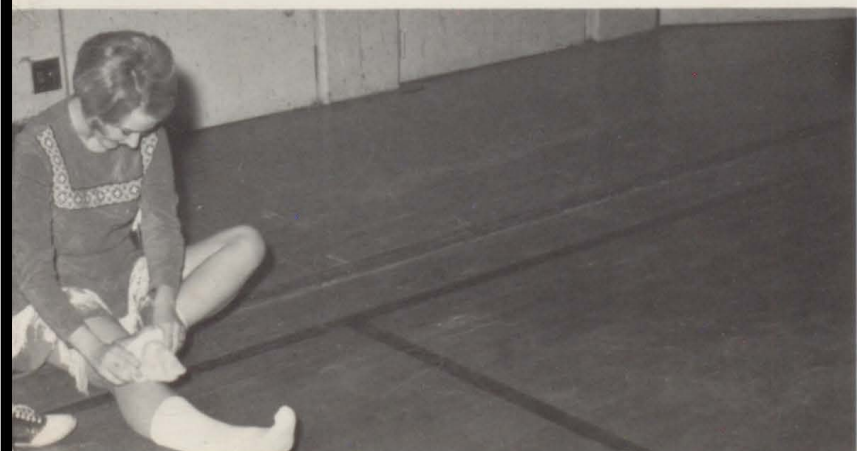

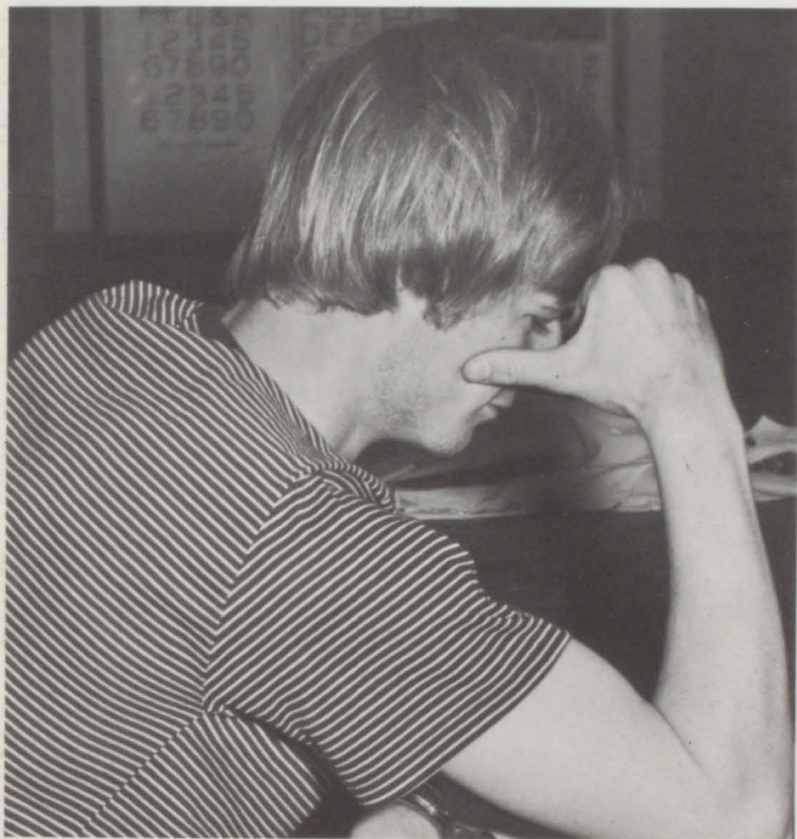

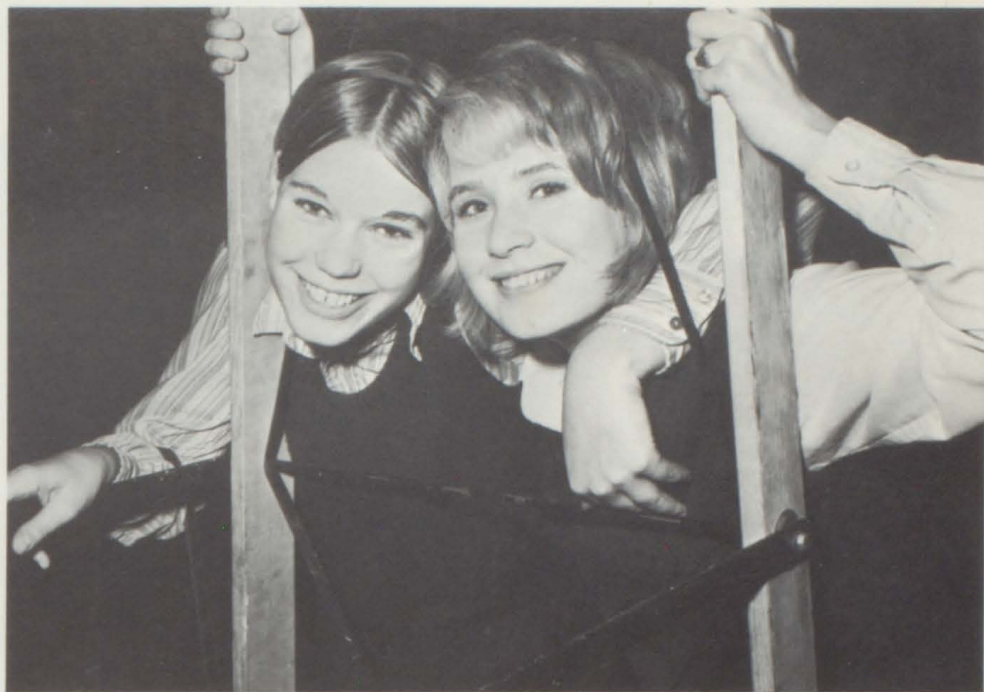

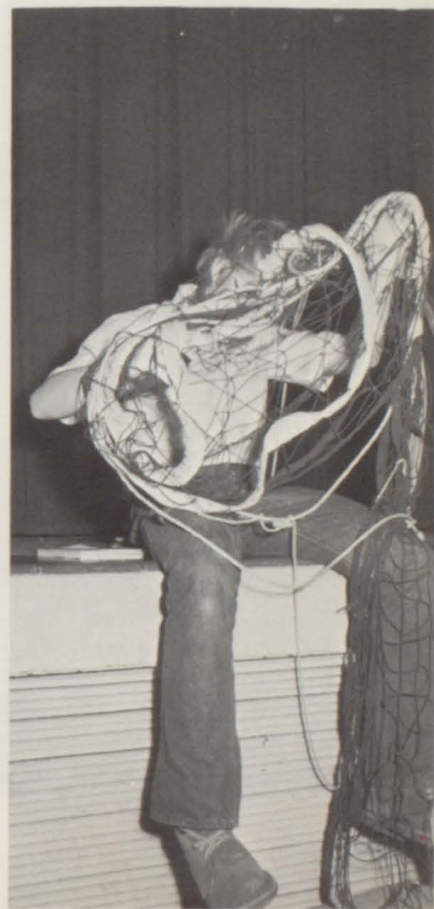

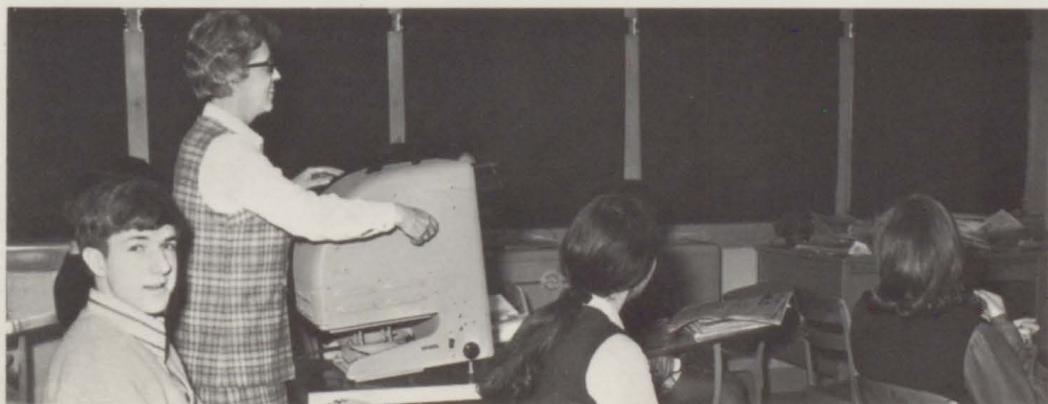

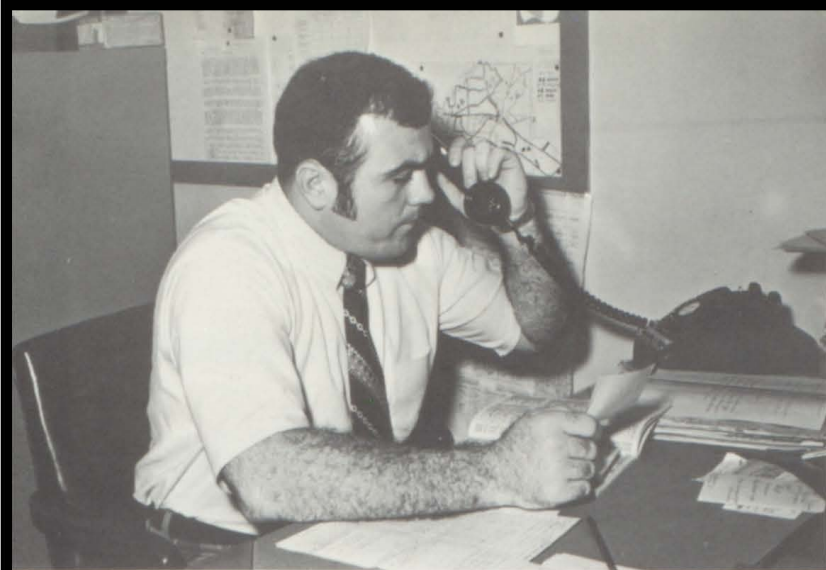

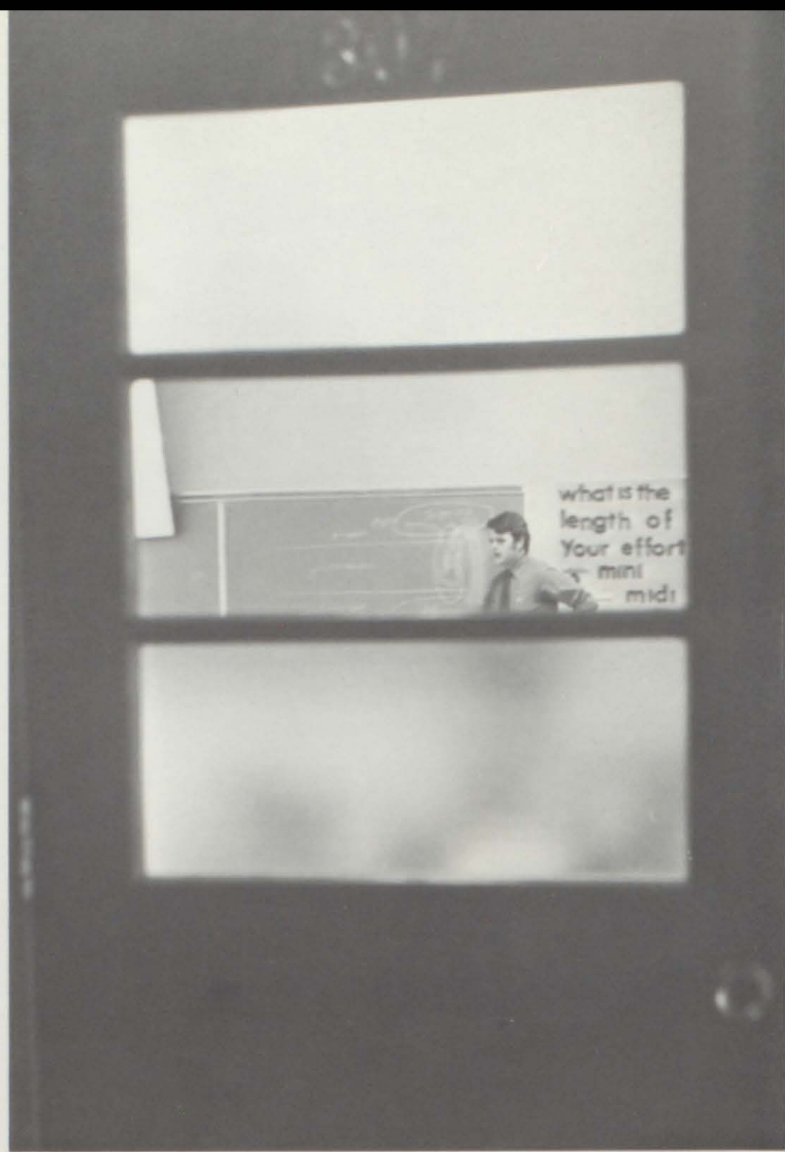

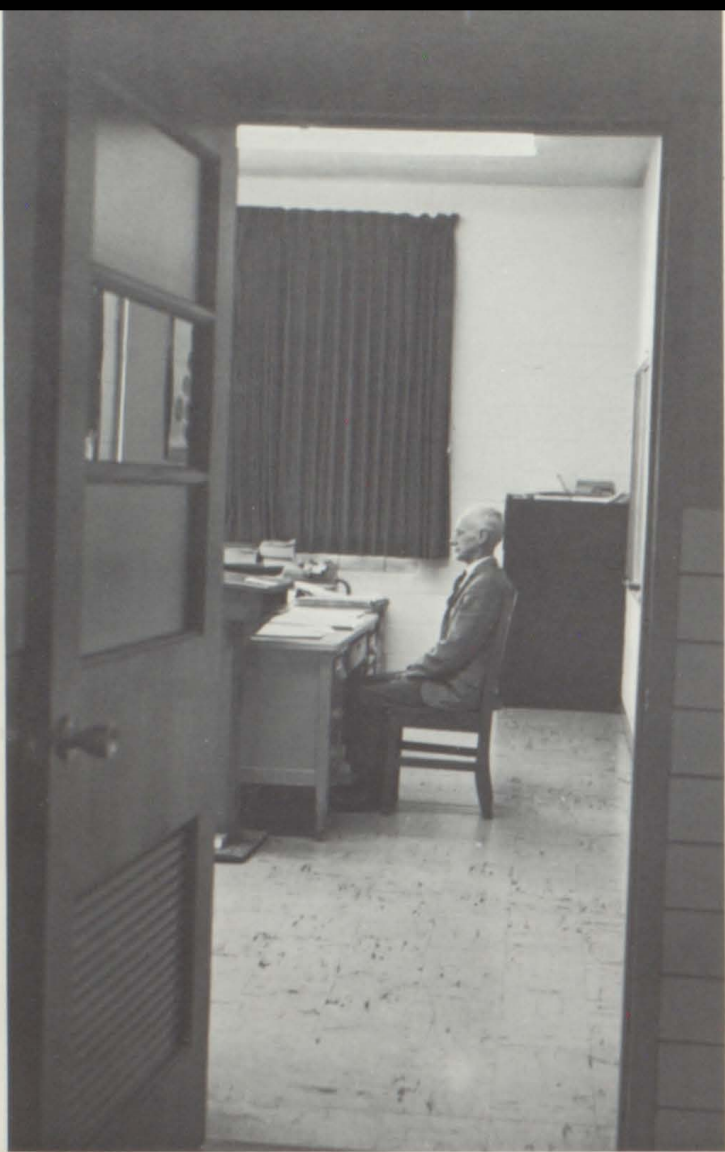

Snow days mean a welcome break from the routine. As they board buses for an early trip home, happy students pelt each other with snow balls.

# Junior-Senior Prom

The 1971 Junior-Senior Prom, "Midnight Under the Sea," was truly a night to remember. The Juniors worked hard and can really be proud of the beautiful job they did. Dancing, soft lights, and good music were enjoyed and appreciated by all who attended.

## Hi-Y Officers

This year the Varsity M club was formed. Anyone who has ever lettered in a varsity sport at MHS is eligible for membership. The purpose of Varsity M is to emphasize the positive contributions athletics can add to a well-rounded educational system, and create an atmosphere that would inspire and stimulate students to participate in varsity athletics.

How Many times did Triad, Greenview, or any other school match the Spirit of M. H. S. ? NEVER ...due to the enduring efforts of the Mechanicsburg High School Cheerleaders! These girls are truly the hubcaps to the great "Purple Machine!"

#### The Cheerleaders...

- Sold ads for basketball and football programs.
- Made signs to boost moral for every game.
- Stopped traffic to stretch sign across road for football bus to drive through.
- Decorated locker room for every game.
- Planned all pep rallies.
- Sponsored sign contest for different groups of cheerleaders.
- Honored teams by having special meals for them in cafeteria.

Incidentally, the cheerleaders do find time to lead cheers for all of our football and basketball games!

# History Of The Class Of '71

In September of 1959, the Class of '71 made its debut at Mechanicsburg schools. Little did the faculty or Board of Education know that the angelic faces of those innocent first graders concealed the minds of little devils.

Mrs. Delaney, Mrs. Frost, and Mrs. Guy were the first to be victimized by us. Mrs. Frost's room had all the excitement. First, the lights fell from the ceiling and hit Kevin Fleming on the head. Later in the year, a bat flew in the room and all the little Indians had to be evacuated.

Sally Channell thought Mr. Wilson had a birthday once a month. Whenever the menu had "Birthday Dinners" (once a month) Sally would wear her best dress for the occasion.

In the second grade, there was less excitement, but more experiments! Lynn Bullard, and Chris Holland received pink slips for kissing in the cloak room. Pam Murphy enjoyed flirting even as a second grader, talking to the boys until Mrs. Lincoln looked up and then she suddenly assumed a blank look on her face. Delbert Bowen, Chris Holland and Kevin O'Brien were moved to the center of the room by themselves and Pam just sat and smiled. Bob Lewis cried when everyone made fun of his skin-head hair cut. The kids in Mrs. Klamfoth's room didn't do much, they were too scared.

When we made our big jump from the old building to the new section in the third grade we were far above those babies in the grades 1 and 2. We were so smart we were requested to take a California State Achievement Test. Just think, the State of California wanted to know our achievements!

Nancy Fornof was beginning a new language. The idea was to hold your tongue and speak, it worked best with words like "apple" or "pencil."

We put on our first play in the 4th grade. Steve Bumgarner was Santa and Joyce Sawyer was the "Mrs." Danny Jordan, Tom Seward, Chris Holland, and Bill Midgley were clowns. Shelley Peters was a fairy. Pauline Muncy won candy bars for her outstanding achievements for spelling and arithmetic. Marilyn Riley fainted that year, and the people in Mrs. Cort's room thought she was dead.

Things started happening in the 5th grade. We had our first man teacher, Mr. Trainer. Mr. Trainer broke his arm "twisting" at a dance. His class had a Beatle show. Lynn Bullard, Diane Gordon, Shelley Peters, Susan Welch, and Chris Holland were The Beatles. Mrs. Welch and Mr. Trainer joined forces to paddle 15 students in Mr. Trainer's class who went on strike and refused to sit down. Shelley had to take hers in the hall because she wouldn't bend over in front of the class.

Ken Love complained that he couldn't see the blackboard that year -- two weeks later he was wearing glasses.

Mrs. Chandler missed us so much she went back to help Mr. Spurlock and Mr. Hartman with the 6th grade. This was the year that everyone was smart and happy. Mr. Spurlock's class put a dead frog in his lunch.

We put on the play, "Hansel and Gretel" that year. Cheryle Trimble was a witch, Jim Creamer was Hansel.

In the seventh grade, we were little people again. The big kids were all over. We didn't have much of a chance to do anything. Diane Gordon became Waffle and Dick Edwards became Rabbit.

While sitting back and taking everything in during the seventh grade, we learned to live in the 8th grade. We had our first make-out parties! We didn't do very much studying either. Mrs. McCarty, our English teacher, flunked over 50 persons on an exam. One day while she was absent we had a Mrs. Jones as a substitute. She told Nancy Fornof to wipe the smile off her face or go to the office -- Nancy is still smiling. Our 8th grade basketball team won the county tournament. Vicky Black, Cheryle

# History Of The Class Of '71

Trimble, Shelley Peters and Kathy Pullins were our cheerleaders.

Our freshman year, we slowed down again. Delbert Bowen, Bob Lewis, and Kenny Love lettered in varsity football. Diane Gordon was our class attendant at Homecoming. Delbert Bowen was her escort.

Pam Murphy, escorted by Kenny Love, was our sophomore Homecoming attendant. Big Bill (Corn) Hall was our only varsity letterman in basketball.

Favorite teacher that year was Mr. Gates. Everyone got A's for some reason or another. One of our brave Indians stole the teacher's answer sheet and flushed it down the john. Another great teacher was Miss Hazel Myers. Her favorite thing was sending students to the office. How about it Ken and Del? We joined a sport known as "doting", we picked up another sport, developing our own vocabulary. Poi and Hedi Cri were among our favorite words.

Kenny Love missed playing football the homecoming game our junior year. Our class felt like suing the Marlboro Company, but Bob Lewis pulled us through by scoring the only touchdown of the game. Our junior class Homecoming attendant was Shelley Peters, escorted by Gary Shonkwiler. Our float won first prize that year with the theme as "Snoopy Wants A Victory."

Our class play that year was a big success. It was entitled, "Rest Assured." There were no big hassles between the cast members and director that year.

Busy! Busy! Busy! All of us were working on the Prom with the theme of "The Rain, The Park, and Other Things." It's a wonder the Prom was finished with all the confusion going on. First, there was a boycott out on the front steps because we were not allowed out of study-halls to work on the Prom. The last decorations were being put up by just a few while others were celebrating the long night ahead. The deserving juniors "took one" and had an even bigger celebration during the three-day vacation from school.

National Honor Society tapped class members Kevin Fleming, Pam Murphy, Beverly Clensey, Joyce Sawyer, Jim Clark, and Marilyn Riley that year.

We finally made it to the top spot in school. Now that we were seniors, we had the run of the school (almost).

Homecoming was the first event we had to conquer. There was the organization of that Mum Sale, Dance, Float, Bonfire and the selection of the queen. Queen candidates were Sally Channell, Nancy Fornof, Pam Murphy, Shelley Peters, and Marilyn Riley. We had TWO bonfires. Someone burned down our first one and we built an even bigger one and guarded it closely until game time. Our float theme was "Lions Never Know What to Expect." We won second prize. Shelley Peters was crowned 1971 Homecoming Queen. She was escorted by Dave Williams who kissed her twice, for good measure. The 1971 football season was the best one yet, 17 seniors finished their careers by winning a No. 2 rating in the state, and we celebrated the entire week.

Basketball season was just as exciting. MHS enjoyed a 13 game winning streak, and ended the season with an 18-3 record. It was the finest in MHS history.

The senior class play was a wonderful three-act farce, "Finders Creepers."

The juniors gave us a beautiful farewell Prom with "Midnight Under The Sea." It was truly a memorable evening and will never be forgotten.

Plans for our class trip to Michigan were completed and over the weekend one half of our class will be at a resort ranch for fun and games.

So, here's to our dear old hill top high school and forever let the memory of '71 wave!
